NIC-A-DATE

Restores Dates on Nickels

Dates are restored by simply placing a drop of Nic-A-Date over the date area of the coin. When the date becomes satisfactorily visible, rinse the coin with water and wipe clean. Surfaces may be worn smooth and dates not be visible, however, Nic-A-Date will bring out the original date. The excellent results obtained in restoring dates on nickels have made Nic-A-Date a proven seller. Nic-A-Date works well on Shields, Liberty, Buffalo and Jefferson Nickels.

5.75 EACH

NIC-A-LENE

An Effective Coin Cleaning Solution
NICKELS: Shield, Liberty, Buffalo and Jefferson.

COPPER COINS: Large Cents, Copper Nickels, Flying Eagles, Indian, Lincoln, All Copper, Brass and Bronze Coins including Civil War Cents.

SILVER: Nic-A-Lene will do a nice job on most silver coins, however, it works much slower.
