BOURSE LAMP

This adjustable lamp clamps easily to the edge of a table, desk or level surface and is ideal for the den, study, office, factory or any place where concentrated

light is needed. This is our most popular model for use at conventions to spotlight coin displays. Completely adjustable, this general purpose lamp moves light in any direction and can be adjusted from the two extension arms and from the flare shade neck. Gives a full 360 degree sweep. Beautifully finished in black or white enamel. (Specify Color)
