

# DANSCO ALBUMS

## Supreme "World Coin Library" Albums

- Modern and up to date.
- Finest materials & craftsmanship.
- Additional pages available.

- Simulated leather embossed binder beautifully gold stamped.
- Supplemented with addition of new pages.
- Loose-leaf for page removal & addition of new pages.
- Coins visible on both sides and protected by acetate slides.

## Superb Albums for United States and Foreign Coins by Dansco

Loose-leaf hinged pages, plastic coated and washable. Port sized to hold average coin securely and covered with acetate slides to protect both sides of coin. Ports are imprinted to properly identify coins. Pages are housed in a two-post simulated leather binder and are beautifully Gold Stamped. A quality that remains long after the price has been forgotten. Albums you will be proud to own.
