STATE SERIES QUARTERS OF THE ORIGINAL 13 COLONIES

- Four-panel, double-sided, full-color folder displays 26 quarters or one coin from each mint for each former colony. Secure openings tightly hold quarters for permanent display.
- Timeline provides a capsule history of the growing tensions between colonists and England.
- Texts offer a brief cultural history of how colonists established the American way of life, highlights of George Washington's contributions to the new nation, and the story of the quarter-dollar coin.
- Hours of fun, years of history, and an excellent educational gift!
